THE CONVENT PROPERTY.

Offer Made Last Evening to Sell to City For School Purposes.

Mr. Frank Devine appeared before the School Board last evening and offered to sell to the city for school purposes the Convent property, fronting 132 feet on Third street and 44 feet on Second street, the Third street front containing the magnificent four-story Convent Building and two-story residence, and the Second street front a two-story brick building.

The original cost of this property was \$45,000, but Mr. Devine offered the School Board that portion on Third for \$20,000 and the whole property for \$24,000.

This looks like a decided bargain.

The present building, which is one of the most imposing and substantial in the city, occupies but about one-third the Third street frontage, leaving ample room for any future additions that might be desired.

It is understood that the School Board will give the matter full consideration.

The Opera-House Managers Have Cancelled the Engagement of "Quo Vadis."

It has been the aim of the present Managers of our Opera-house to secure the best attractions for their patrons.

Careful as they have been, however, one or two indifferent combinations have been imposed upon our citizens.

For this reason the Management has taken especial precaution to prevent a recurrence, and for the past few nights have had representatives present at the performances of "Quo Vadis" given at up-river points.

The reports which have come from several sources and from the newspapers at Ironton are so unfavorable that the Management has determined not to open the house this evening and have so notified a number of persons at Flemingsburg and other surrounding places where seats had been engaged.

This is a step in the right direction, and notice is hereby served on all indifferent attractions that they cannot impose upon the credulity of our citizens.

Maysville has the best Opera-house in the state and one of the very best to be found in the United States, and it is not proposed that the intelligence of this community shall be insulted by barn-storming parties if the Management can prevent it.

All persons who have purchased tickets for tonight's performance can have their money refunded by making application to Simon Nelson.

Couldn't help getting a cold never cures it; but carrying home a bottle of Ballard's Horehound Syrup, and using it as directed, will cure the worst kind of cold or cough. Price, 25 and 50 cents. J. Jas. Wood & Son.

A Good Cough Medicine For Children.

"I have no hesitancy in recommending Chamberlain's Cough Remedy," says F. P. Moran, a well known and popular baker, of Petersburg, Va.

"We have given it to our children when troubled with bad coughs, whooping cough, and it has always given satisfaction. It was recommended to me by a druggist as the best cough medicine for children as it contained no opium or other harmful drug." Sold by J. Jas. Wood & Son.

DON'T YOU FORGET IT!

Monday is County Court Day, and Stock Will Be Plentiful.

The first Monday in April—that's next Monday—is County Court Day in Maysville, and it should attract a large gathering of our neighbors from the country back of us and from Ohio. There promises to be a fine exhibition of horses, particularly of the stallion class, and as it is the first and last opportunity given before the season opens those farmers who own such animals should bring them, for we can assure them there will be a big concourse of just the persons to whom a show might induce to seek for service. For Ohio citizens the Board of Trade offers free ferrriage and a most cordial invitation to come over that day.

They will find the stores full of goods and the prices at which they are offered will compel a purchase. The chance to sell country produce is splendid, and if you have any garden truck or farm raisings bring them in that day and you'll convince yourself that Maysville's the best market anywhere near you. Bring the women folks with you; a little outing will do them good, and they'll go back home better satisfied and more willing to begin the hard toil and long days before them this spring and summer.

County Court Day in Maysville Monday, April 2d.

An Honest Medicine For La Grippe.

George W. Wall, of South Gardner, Me., says: "I have had the worst cough, cold, chills and grip and have taken lots of trash at no account but profit to the vendor. Chamberlain's Cough Remedy is the only thing that has done any good whatever. I have used one bottle of it and the chills, cold and grip have all left me. I congratulate the manufacturers of an honest medicine." For sale by J. Jas. Wood & Son.

NEW DEPOT.

L. and N. Management Has Approved Plans For One in This City.

THE LEDGER some months ago made mention of a new L. and N. Depot to be erected in this city. A sketch for the new building had been prepared, and touching the subject Mr. E. H. Binzel has received the following:

CINCINNATI, March 29, 1900.

Mr. E. H. Binzel, Agent, Maysville—Dear Sir: Our management has approved plans for a new depot at Maysville. The detailed plans will be forwarded to me as soon as they can be gotten out. The plan is pretty much based on the sketch prepared some few months ago. Yours truly,

L. Hoob, Superintendent.

Judge Garrett S. Wall, who was appointed by the Board of Trade to communicate with L. and N. officials about a new depot here, is also in receipt of this letter:

CINCINNATI, March 29, 1900.

Hon. Garrett S. Wall, Attorney, Maysville, Ky.—My Dear Judge: I take pleasure in informing you that the General Manager has authorized the construction of a new depot at Maysville, and the Chief Engineer is now having detailed plans made and will send them to me as soon as practicable. As soon as these are received I will take the necessary steps to secure bids and push the work. Yours truly,

L. Hoob, Superintendent.

The proposed new depot will be a modern brick structure and one that will be a credit to our city and the L. and N. System alike.

Does It Pay To Buy Cheap?

A cheap remedy for coughs and colds is all right but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Rocher's German Syrup." It not only soothes and stimulates the tissues to destroy the germ disease, but always inflammation, causes any expectation, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. For sale by J. C. Peacor.

Going Down Hill.

People suffering from kidney diseases feel a gradual but steady loss of vitality. They should take Foley's Honey and Tar before it is too late. J. Jas. Wood & Son and Armstrong & Co.

The Court of Appeals overruled the motion to advance the suit of Commonwealth, vs. Scott, etc., from Fleming county.

Yesterday being the sixty-fifth birthday of Mrs. Catherine Swisher of East Second street her children, all except two, came in and celebrated same, each bringing something, making a surprise dinner.

BEST OF ALL.

MURPHY, the Jeweler.

The Court of Appeals affirmed the suit of the Maysville and Big Sandy Railway Company vs. Ball, taken up from this county, reserving question of contempt proceedings for further action.

Deafness Cannot Be Cured.

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflammation of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75c.
